Bookbinding Accessories

Our bookbinding accessories are precision-manufactured by experienced craftsmen and subject to rigorous quality control methods. We use state of the art machinery and innovative techniques to deliver our customers superior quality, short lead times and competitive prices.

Nipping press

Produced by skilled craftsmen using both state of the art technology and traditional engineering methods, our stunningly crafted nipping press is a must-have for any bookbinding studio. Hobbyists and professionals alike will be delighted with the performance of this iconic bookbinding tool, designed by industry experts and built to deliver a superior quality finish. Our nipping press preserves the heritage of the bookbinding craft and boasts all original features expected.

- Available in 2 sizes: 20"x12" and 30"x24"
- Both with 10" daylight (extendable to 18").
- Machined aluminium platens
- Securing lugs for firm fixing
- Nylon runners to ensure perfect motion
- Chrome plated guide bars
- Phosphor bronze bushes for effortless opening
- Solid brass spheres
- Extendable daylight: by means of 2 extended guide bars (supplied as an extra)

Type Cabinet

Our stunning stained and polished wood cabinets are an equally attractive and functional asset to any bookbinding workshop.

Built with either six or ten storage drawers, each tray is individually compartmented. Drawer supports enable angling to aid selection of type whilst typesetting.

Hand Typeholders

The ultimate bookbinders' companion, each hand typeholder we produce is an article of matchless quality. Expertly hand crafted in craft brass, each tool features a fine bevelled steel backplate to assure precise alignment of type. Our standard spring typeholders come in 2", 3" and 4" sizes, fully adjustable to accept type from 8pt up to 36pt.

Super Rapid Typeholder

Marrying together traditional bookbinding techniques with cutting-edge production methods, our collection of super rapid typeholders are a joy to use: both ergonomic and stylish. These particular typeholders come in 4" size only, and are only suitable for type larger than 10 point.

Slip Cases

Our brass slipcases, manufactured in either single line, double line or triple line, can be produced in any size up to 36 pt.

Polishing Iron

For crushing and polishing the grain of the leather to absolute perfection, we can supply brass polishing irons in a range of sizes.
