

## Tender Brief Fine Cut Group Ltd

### **Solar PV installation**

Fine Cut Group Ltd are looking to commission the installation of Solar PV on their roof. They are looking to maximise the solar array size to cover a large percentage of their annual electricity consumption of 275,800kWh.

The expected timetable is to have the works done by Nov 2022.

### **Overview**

Fine Cut Group Ltd manufacture labels, nameplates as well as engravings and markings.

Location: 46 Marlborough Road, Lancing, BN15 8UF

### **Project Details**

We would like to see the following items in your proposal:

- Cost breakdown of material and labour (ideally individual material costs visible)
- Make, model and warranties of solar panels, inverters and installation
- Estimated time scale to carry out the installation
- It is a plus if the installer holds MCS certification and RECC membership.
- Expected lead time for the installation
- The proposals can be done as desktop surveys. The successful bidder is expected to carry out a site visit to confirm the costs

**Proposal return deadline:** 23<sup>rd</sup> August 2022

### **Award Criteria and Procurement Process**

Proposals submitted will be assessed by Fine Cut Group Ltd using the following criteria:

- Are the items listed above included in the quote?
- Quality of the products
- Length of warranties on materials and workmanship
- Installers qualifications, certifications and reputation
- Value-for-money
- Installers location
- Lead times

Fine Cut Group Ltd will notify bidders of our procurement decision in September 2022.

We will let bidders know whether or not they have been successful by email.

Please send your proposal via email to Debra Venour by 23<sup>rd</sup> August 2022 - [accounts@finecut.co.uk](mailto:accounts@finecut.co.uk)
